EDUCATION

University of California Irvine, UX | UI Bootcamp

Mar-Sep 2019 | Irvine, CA

Career-driven 6 month bootcamp course with modules to work on user centric projects through user research, design thinking, visual prototyping and wireframing, interaction design, and web design.

University of California San Diego, International Studies Political Science BA

Sep 2013 - June 2017 | La Jolla, CA

Studies focused on global integration by analyzing local influences at an international level. Coursework required consistent research on different countries to assess how they impact one another, for instance, the influence of technology on modernization.

WORK

Lotte Advanced Materials USA, Inside Sales Coordinator

Mar 2018 - Sep 2019 | La Palma, CA

Created and organized orders for 50+ accounts on 200+ products. Communicated with businesses nationwide as well as maintaining international business relationships between headquarters and vendors.

Forever 21 Corporate, Associate Production Coordinator

Oct 2017 - Mar 2018 | Los Angeles, CA

Assisted designers in completing the production of fashion items from arranging the prices, approving the fabric, fitting the clothes, sending the clothes for quality check, and more. Managed projects with concise organizational skills by keeping record of 100+ styles.

PROJECTS

Toys for Tots

App Development & Website Re-Design

Donate toys for Toys for Tots, a non-profit organization focused on giving toys for less fortunate children during Christmas, using a game app.

World Resources Institute

Website Re-Design

Website redesign for World Resources Institute, a nonprofit organization working for environment issues worldwide.

Inhance

App Development

Plan room layout, shop for furnitures, and share with friends to experience an easier way to interior design.
